OneFirelight®
Cookies Policy

We use Cookies to help personalize your experience, optimize the functionality of our Services, and maximize the interest level of content provided. Some of these Cookies are essential for functionality. Learn more by clicking [COOKIES POLICY](#). You may accept all Cookies by clicking [ACCEPT](#) or customize use of Cookies by clicking [HERE](#).

GENERAL COOKIES POLICY

Terms used here, unless otherwise defined, have the same meaning as in our Privacy Policies and Terms and Conditions.

We use Cookies and similar technologies to operate our Websites and online services and to collect data. A Cookie is a string of numbers and letters that uniquely identifies your device and can contain additional information. We use Cookies to recognize your device, store your preferences and settings, enable your sign in experience, provide internet based marketing, combat fraud, analyze our product performance, and for other legitimate and necessary purposes.

Some of these Cookies are essential for functionality.

TYPES AND PURPOSES OF COOKIES

- **Technical and Session Cookies:** Designed to collect and save data while the User accesses a web page and stored in the device until the end of the User's browsing session. Technical Cookies are indispensable for the correct functioning of the Website and the options selected by the User.
- **Analysis Cookies:** Allow us and our Third Party Providers to quantify, measure, and analyze usage to implement consistent and pervasive improvement in our Services.
- **Advertising Cookies:** Facilitate the most effective offering of advertising space on the Website or on Third Party Provider sites best suited to Users' browsing profiles and preferences.

RECIPIENTS OF COOKIES INFORMATION

The information collected through Cookies can be accessed by Irie and OFL as well as by affiliates and collaborators in providing Services.

Some Third Party Providers might be located in jurisdictions where the legislation does not offer the same level of data protection as described in our Privacy Policies. However, we and our Third Party Providers do make every commercially reasonable effort to ensure that the rights and entitlements of interested parties are acknowledged and observed to the fullest possible extent in the context of any international transfers of data.

You can learn more information about privacy policies and Cookies policies of Third Party Providers by visiting their respective websites. However, we are not responsible for the content or accuracy of the information on those Third Party Providers' websites. No endorsement of any other websites, products, applications, platforms, or content is implied.

Some of the Third Party Providers' or data collaborators' policies can be reviewed at:

MANAGEMENT OF COOKIES

The most common browsers, including but not limited to Explorer, Firefox, Chrome, and Safari provide information about how to accept, refuse, or delete Cookies, usually through the Help function. Google offers a plug-in to install in your browser that you can access at: <http://goo.gl/up4ND>.

To modify your consent to the Cookies that Irie, OFL, and Third Party Providers use on this Website to personalize Content and advertising, provide functionalities to social networks, or analyze our traffic, you can click [HERE](#). You can activate opt-out mechanism to communicate that you do not want to allow Cookies. However, you delete all Cookies after activating the opt out mechanism, then will have to repeat the process to avoid the installation of further Cookies. These changes only apply to the browser that you are currently using to connect to us. To delete Cookies from other devices, you must follow the procedures described on those devices. If the installation of all Cookies on the Website is prevented, some functionalities of the Website, as well as some content, might be affected.

This Website also uses Cookies or similar technology on mobile devices. Your mobile device operating system should provide a mechanism and instructions for you to configure privacy options or settings to disable, modify, or delete Cookies.

You can visit www.aboutads.info to if you would like to learn more about the collection and use of information from your online activities for interest based advertising or to learn how to opt out of having your data used for interest based advertising by Digital Advertising Alliance (“DAA”) participating companies.

- Canadian based information can be accessed at: www.youradchoices.ca.
- European based information with respect to companies that are members of the European Interactive Digital Advertising Alliance (“EDAA”) can be accessed at: www.youronlinechoices.com.
- The Network Advertising Initiative’s (NAI) provides an Opt-Out Tool for interest based advertising by member companies at: www.networkadvertising.org/choices.

However, we did not create and are not responsible for the content on these sites.

If you have questions or concerns about our use of Cookies or your privacy rights you may contact us at privacy@OneFirelight.com.
